# WUST DORMITORIES

Dormitories are situated within easy travelling distance from the university's main campus. The range of facilities offered varies, but most dormitories have areas for study and recreation, kitchen facilities, laundry facilities, car parks. They are a safe and a friendly environment for you to live in.

The downside is that you don't have much choice about who you'll be sharing the room with, but most likely it will be another Erasmus student. Changes are only possible if both parties agree (you, your roommate and the dormitory coordinator) and if there are available spots.

**ESN PWr office is located in T-15 building on Wittiga street, where many other dormitories are located.**

# UWr DORMITORIES

Dormitories are situated close to the Plac Grunwaldzki, where WUST and UWr main campuses are located and are excellent communicated with every part of city, because most of the trams and buses go via Plac Grunwaldzki.

**Note:** even if you're a student of other University, you can apply for the place in their dormitory. The best way to get spot like that is to write an email to them: [sprawystudenckie@uwr.edu.pl](mailto:sprawystudenckie@uwr.edu.pl)

The UWr students have the priority to book a spot, but many Erasmus students from other universities are living there during their stay, because there are usually some free rooms.
